

The Night Before

The "Belle of the Ball" has the attention of the entire crew on the BEAR's mess deck the night before our arrival in Portsmouth.

The crew of the BEAR was more enthusiastic and jubilant than ever this night, for tomorrow the BEAR would finally come home!

RM3 R. N. "Dusty" Cummins was the first of many who in the future will receive the cutter BEAR's "Sailor of the Quarter" Award. Well done, Dusty!
