

*During the invasion of Palu Island base, American invaders scored a direct hit on a Jap ammunition dump.*

*The island rocked and debris filled the air. Concussion vibrated the camera, blurring the figure of the American Marine (visible at left) moving toward the enemy.*

During the invasion of Palu Island base, American invaders scored a direct hit on a Jap ammunition dump.

The island rocked and the debris filled the air. Concussion vibrated the camera, blurring the figures of the American Marines, (visible at left) moving toward the enemy.
