

EN2 BELL receives his reenlistment bonus from CWO 4 SPANIOL as Captain GUY looks on.

A familiar face aboard DALLAS was LCDR Robert BORDEN, CHC, USN, our "adopted Coast Guardsman." We enjoyed having him onboard on many of our Marketime patrols where he was able to conduct our religious services. The Chaplain was also able to give us good advice on many of the ports we visited. At the end of our deployment he accompanied us to Kaohsiung, Taiwan and to Yokosuka, Japan where he was able to take several days leave.
