FLAG OF THE DAY
15 JUNE 1992

REMARKS

2. The following message was received from Commander, 8th Coast Guard District:

"1. Comments received from many sources have all been most laudatory with respect to your stay in New Orleans. By displaying the Coast Guard at its best, you gained the respect and good will of the entire community. The exemplary conduct and appearance of all personnel and the ship shape condition of EAGLE were a source of great personnel pride.

2. To the officers, crew and cadets of EAGLE, I extend a whole hearted well done."
