REMARKS

1. A Well Done to all hands in giving us an excellent start for the race. Team work is important in all evolutions.
2. A race status board has been made to keep you informed of the latest information on the race. It is located on the starboard side outside the scullery. Any reports will be posted as soon as received.
3. Remember to continue to practice good safety habits aboard ship.
4. The Sail Training Association (STA) will have special neckties available for purchase when we arrive MAIMO. They also will be available in Travesunde, but will probably cost more because of import charges.
