

2 October 1987, Position: 6-47.0N, 79-48.5 W. With our departure from Rodman, Panama and entry into the Pacific basin nothing but a few days of southbound sailing stands between us and EAGLE's entering the domain of Neptunus Rex, Ruler of the Raging Main. Rumor has it the Royal Barber is sharpening his shears in preparation for ushering a new gaggle of slimy pollywogs into the brethren of the trusty shellback. Caveat Woggus ("Let the Wog beware")
