

**JOHN W. ROBERTSON**

The ultimate zoomie. John has been flighty for so long that flight school was inevitable. Ten minutes after he got his orders, John was on the phone to Pensacola asking what their policy is on late lights.

**WALTER S. TOPP**

On the third Reliance cruise, which featured towering one foot swells, Walt was sea-sick for two days. With orders to the cutter Ingham and Ocean Station Hotel, he was last seen in his room attempting to fall on his sword.

**DANIEL C. SLYKER**

The Ancient Mariner himself. This grizzled old sea dog is actually just a pup, but nine months on the Reliance have taken their toll. Having won the Seamanship binoculars, Dan is looking forward to window shopping in New Orleans. You're married, Dan, so look but don't touch.
