

United States Coast Guard icebreaker **GLACIER**, as it breaks ice in McMurdo Sound near McMurdo Station, Antarctica. The icebreakers clear the way into Winter

Quarters Bay at McMurdo Station where supplies are off-loaded for Operation Deep Freeze. Mount Erebus an active Antarctic volcano is in the background.

ANTARCTICA McMURDO OPERATION

The **GLACIER** breaks ice coming toward the ice pier, at Winter Quarters Bay, Antarctica.
