

## IN MEMORY OF

### PRAYER OF THE SHIPMATES

Reflecting thoughts and feelings of the GLACIER crew Father in heaven, as we come together to remember our fallen shipmate, our brother through you, let us rejoice in the new life he begins with you. As Ray brought our lives joy while he was with us, let us remember him with joy. In this hour of mourning, help us to remember that, through our Lord Jesus Christ, we have been promised eternal life. So let us remember Ray for the gifts he gave us, the man he was, the friend he became, the time we shared together here. Let us look forward with joy to the time we will share in your promised land. We pray, be with all of us that we may continue our lives in the spirit that Ray lived his. Through Jesus Christ our Lord we pray. Amen.
