

3 MAR 80

Airlifted 6,000 pounds of food and miscellaneous cargo to Raoul Island.

5 MAR 80

Crossed the International Dateline in position $24^{\circ} 17' S$, $172^{\circ} 30' W$.

7 MAR 80

Fourteen sailors stuffed themselves into the space between a middle rack in deck berthing. This is a record that we expect to stand for many years to come.

12 MAR 80

Conducted .50 caliber and 40MM gunnery exercise shortly after we crossed the equator.
