

With *GLACIER* hove to in the ice near McMurdo, congressman Allen ERTEL of Pennsylvania and Rear Admiral's D. C. THOMPSON, Chief of Coast Guard Engineering, and J. D. COSTELLO, Chief of Coast Guard Operations were served luncheon in the *GLACIER*'s wardroom, then given a tour of the ship. Then the VIP's were flown by helicopter above the McMurdo area so they could get a perspective of the ice edge relative to McMurdo while seeing some spectacular sight of Antarctica.

OTHER PRESENT: Dr. Paul MAXWELL, Dr. Edward TODD, Dr. Ray BISPLINGHOFF, Dr. Raymond BYE, Mr. Richard MARLOW.
