

The tables were hot even though we were still south of the Antarctic Circle on Casino Night. Everyone aboard had the opportunity to try his luck at several games including Black Jack, Craps, and Roulette. The prizes for the big winners were purchased from our own ship's store. Everyone had a good time and the morale fund realized a net gain of over \$560.00. Special thanks went to those crewmembers who helped make the evening such a smashing success.

GLACIER'S CASINO NIGHT
