

GLACIER has a proud history of Antarctic service. It is regrettable that this is her final trip. However it has been the thousands who have served GLACIER that have given her a proud history and to them should go the accolades of 33 years of outstanding service. To them I say "well done" and success in your life.

Conferring with CWO Carr and CWO Brady

CDR. Alexander T. Polasky, His past Assignments have included CGC Pentchartrain, CGC Storrs, Support Center Kodiak, CGC Glacier, Headquarters (G-ENE-4) and CGD 17 (ene)

Overseeing shipboard evolutions

XO with his Wife Mrs. Jacqueline Polasky

The XO informing the CO on shipboard matters
