

ELECTRONIC DIVISION

L to R ET1 Howard, ET1 Manning, TT2 Lyle, ET2 Brazier, ET1 Parsons, ETCM Ode, LTJG Gleener (missing ET3 Roebuck)

"No Masterchief it's like this!"

ET2 Brazier does the Hawaiian Ice walk

"Re-Install this, Bob you've got to be kidding!"

ET3 Roebuck learns about PC boards from TT2 Lyle

ET1 Howard repairs his (00-753-5609) Cap, Cold Weather

Miles of cable and millions of dollars of electronic equipment kept our Electronic technicians busy. From Radar maintenance to deployment on the ASB, our ET's met the task well.

You never needed a dime to get a public phone thanks to our Telephone technicians. Maintaining our phone system, public address system and internal communications was no great challenge to Pa Bell.
