

HELLO, is signed by BM2 Jankowski, DC1 Harris, SN Gaerino, SN Harvey and EM2 McKenna

SN Harvey, Sign Language Instructor

Glacier's crew was as diverse as the missions she performed. Each offering their time and talent for the benefit of ship's morale and better ship-board life. These men and women performed these unassigned collateral duties, spending many hours of free time, preparing and executing these events. From the Glacier family. Thank You!
