

HOMECOMING

Portland, Oregon, home at last. We arrived at 5 PM on the 9th of April to end Deep Freeze '87. We were met at the pier by our loved ones and the Royal Bosonians while the Harriet Lane Landing Party gave six blasts from a civil war cannon to greet our arrival.

The tension was high as we awaited the lines and knew going over so that our long voyage could end. At last the trip was over and we were looking forward to time off, away from our floating home. Time to relax before starting the Decommissioning of the GLACIER and the transfers to new duty stations.

We say goodbye to AVDET 114
