

## Commanding Officer Captain C. G. Boyer

"This book will document an adventure of a lifetime. Unusually challenging ship support ops, magnificent scenery, ugly Antarctic storms, abundant wildlife, exploration of the remotest part of the continent, and intriguing foreign port visits. Both literally and figuratively, we were destined to 'boldly go where no one has gone before.' To do so as successfully and professionally (or at all!) could only have been possible with the high calibre crew shown on these page. It's been my honor to have been associated with them. Thanks Shipmates."
