

# KING NEPTUNE HOLDS HIGH COURT

*Top left: Their Royal Highnesses, King Neptune (CDR Lovern) and Queenie (YNC Maurice) sit in dignified repose. Below right: All lowly Polywogs, those who were crossing the Equator for the first time, were charged with trespassing in to the Realm of the Shellback and were made to suffer for their crime. This is one instance where rate or rank carry no weight. Bottom left: CAPT Kothe and MKI Webster share a not so refreshing bath in the sharks pool. Top right: CWO3 Germino, our local Dr. Demento, administers a briney secret potion from a bedpan to EM3 Ray. "Now don't spill any or we do it again".*
