

Golden Dragon himself.

Finally, the Wogs got to meet the Royal Court, preceded of course by a nice cold shower to wash off the gunk. Each Wog ate a cherry from the Babies belly, "honored" the Queen, and was declared a Golden Dragon by King Neptune.

The Royal Court was MK3 Lieske as the Baby, SA Cheshire as the Queen, and CWO-4 Gibler as King Neptune with FN Whyte standing in towards the end of the day.
