

Deckies Retain Qualified People

There was not too large a turn-over in Deck Department before the patrol, so overall the experience level was fairly high, which made the first weeks of the FleetEx run smoothly.

Several new people reported in Adak, but by the end of patrol most of the new people were qualified at bridge watches, lowering detail, and helo ops.

Front row, from left to right: SN Cruz, SA Hawkins, SA Wyatt, SA Lipman, SA Breno, SN Haynes, SA Parrot, SN Moore, SA Redman. Middle row: SA Dubose, SN Truex, SA Anderson, SA Hildebran, SA Bell, SA Taylor, SA Swikehardt.
