

## STEWARDS

From serving a formal meal to visiting brass to swabbing a passageway our stewards are charged with the cleanliness of officer's country and serving meals in the wardroom. They perform the various niceties that our busy officers don't have time for.

Standing, from left: SD3 Reynaldo Martin, SD3 Eleazar Liera, TN Francisco Cruz, SD1 Renato Abueg, and TN Enderm Manabat. Kneeling: SD2 Gadofero Solvanera, TN Nicanor Quintin, and TN Remigia Vicencia.

Above: SD1 Abueg, the ship's barber, trims a mustache. Haircuts cost \$1.00, 65c of which the barber kept as his profit, the remainder being placed in the morale fund. At left, SD3 Jose Bulusan prepares a meal of steak and eggs, a Cabin breakfast favorite.
